PRODUCT BENEFITS

- 10% - 20% lighter than the leading hard case brand
- Double-hinged locking system for increased safety and security
- Pressure relief valve for unmatched watertightness
- Supersoft grip handles for field comfort
- Unbreakable resin body-construction

TESTIMONIAL

"It's the only way to keep our equipment in showroom condition while remaining portable and adaptable to the demanding situations that arise on a feature set or location." -AG

DESCRIPTION

Wheeled Safeguard Field Production Vault Hard Cases (models ending with 50F) have a cubed-foam interior. Wheeled Vaults have durable aluminum rail and a comfortable pullout hand grip. They are constructed with a high-performance hard-resin material reinforced at the corners. Wheeled Vault Hard Cases are smooth rolling, watertight, have a pressure relief valve and have easy to operate latches. Wheeled Vaults are ideal for combining video, audio, and photographic equipment for transportation and protection. Limited Lifetime Warrantv Watch the Hard Case Product
